**TARGET AUDIENCE** Thoracic Oncologist, Medical Oncologist, Infectious Disease, Primary Care, Pulmonologists, Advanced Practice Professionals and RNs

**NEEDS ASSESSMENT** In these unprecedented and challenging times, Moffitt is making necessary precautions to keep our patients, visitors & team members safe during COVID-19.

**COURSE DESCRIPTION** Educate the community of how MCC is committed to the health and safety of our patients, their families, visitors, and our team members. In addition, deliver information on COVID-19 risks that are specific to Thoracic patients. The course will provide guidance on navigating cancer patients through the care continuum to prevent delays in treatment.

**LEARNING OBJECTIVES** As a result of participating in this activity, the learner will be able to:

- Describe an up to date presentation on COVID-19 to providers in an evolving environment.
- Distinguish a venue for physicians to have their COVID-19 related questions answered.
- Review effects of COVID 19 on many organs of the body, especially the lungs.
- Develop a plan to improve prevention, early detection and management of COVID 19 infections in lung cancer patients.

**COMPETENCIES** This program provides the following competencies adopted by the American Board of Medical Specialties; Patient Care and Procedural Skills, Systems-Based Practice, Medical Knowledge, Interpersonal and Communication Skills, Professionalism.

**FACULTY DISCLOSURE** USF Health adheres to ACCME Standards regarding commercial support of continuing medical education. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity, that relevant conflict(s) of interest are resolved and also that speakers will disclose any unlabeled/ unapproved use of drug(s) or device(s) during their presentation. Faculty disclosures will be made available at the program.

**DISCLAIMER** The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

**EEO – USF and Moffitt Cancer Center are Equal Opportunity/Affirmative Action/Equal Access Institutions.** For disability accommodations contact Gina Woodward, by email at [Gina.Woodward@Moffitt.org](mailto:Gina.Woodward@Moffitt.org), within five days of the event.

**CANCELLATION POLICY** Moffitt Cancer Center and USF Health reserve the right to cancel due to unforeseen circumstances and notification will be made by email, as available.

#### ACCREDITATION

Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health (provider number 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing. This activity has been approved for 1.5 contact hours.
