

Pathology of Thyroid Tumors: From Light Microscopy to Molecular Analysis and Back Again

Date: Friday, August 13, 2021

Time: 12:00 - 1:00 pm

Location: Zoom Virtual Format

<https://moffitt.zoom.us/j/96173070052>

S P E A K E R

Juan Hernandez-Prera, MD

P O S I T I O N & A F F I L I A T I O N S

Associate Member, Department of Anatomic Pathology
Moffitt Cancer Center

Learning Objectives: As a result of participating in this activity, the learner will be able to:

- Discuss how to appreciate the broad histopathological spectrum of *RAS* mutant thyroid nodules
- Recognize the importance of correlating molecular alterations of thyroid tumors with histopathological and clinical findings
- Appraise the role pathologist have in determining actionable molecular alterations in thyroid cancer

Pre-registration is not required.

Target Audience: Surgical, Medical and Radiation Oncology, Attending's, Residents, Fellows, Faculty, ARNPs, RNs, PAs, and other Professional Staff.

Accreditation:

Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of **1 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credit.

Nurses FBM: USF Health (provider # 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing . This program has been approved for 1.0 contact hours.

In order to receive credit participants MUST log-in for each session via Zoom they attend. Those participants who DO NOT log-in will NOT receive credit for the session.
