

Dermatologic Toxicities and other Complications from Cancer Therapy; Updates, Challenges and Lessons Learned from the Oncodermatology Trenches

S P E A K E R

Jonathan Leventhal, MD

P O S I T I O N & A F F I L I A T I O N S

Director, Oncodermatology Clinic, Associate Residency Program Director, Assistant Professor of Dermatology
Yale University School of Medicine

Date: Friday, September 17, 2021

Time: 12:00 - 1:00 pm

Location: Zoom Virtual Platform

<https://moffitt.zoom.us/j/92603111408>

Learning Objectives: As a result of participating in this activity, the learner will be able to:

- 1) Recognize common dermatologic toxicities to cancer therapy, including traditional chemotherapy, targeted therapy, immune checkpoint inhibitor therapy, endocrine therapy, radiation therapy, and stem cell transplantation.
- 2) Understand how these dermatologic conditions impact cancer patients' quality of life and impact their cancer treatment.
- 3) Evaluate and manage these dermatologic conditions in a multidisciplinary fashion with the oncologic services.

Target Audience: Surgical, Medical and Radiation Oncology, Attending's, Residents, Fellows, Faculty, ARNPs, RNs, PAs, and other Professional Staff.

Accreditation:

Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credit.

Nurses FBM: USF Health (provider # 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing . This program has been approved for 1.0 contact hours.

In order to receive credit participants MUST log-in for each session via Zoom they attend. Those participants who DO NOT log-in will NOT receive credit for the session.
