

## Built Environment & Breast Cancer: Roles of Behavior & Biology

S P E A K E R

Jesse Plascak, PhD, MPH

P O S I T I O N & A F F I L I A T I O N S

Assistant Professor, Division of Cancer Prevention and Control

The Ohio State University, College of Medicine

**Date:** Friday, November 5, 2021

**Time:** 12:00 - 1:00 pm

**Location:** Zoom Virtual Format

<https://moffitt.zoom.us/j/92328755137>

**Learning Objectives:** As a result of participating in this activity, the learner will be able to:

- 1) Name theoretical frameworks that explicitly detail roles of built environment factors in cancer disparities.
- 2) Define specific built environment factors that can be modified through practice and policy.
- 3) Summarize current studies of built environment factors and breast cancer outcomes.

*Pre-registration is not required.*

**Target Audience:** Surgical, Medical and Radiation Oncology, Attending's, Residents, Fellows, Faculty, ARNPs, RNs, PAs, and other Professional Staff.

### Accreditation:

**Physicians:** USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credit.

**Nurses FBM:** USF Health (provider # 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing . This program has been approved for 1.0 contact hours.

*In order to receive credit participants MUST log-in for each session via Zoom they attend. Those participants who DO NOT log-in will NOT receive credit for the session.*
