Genetic Risk Stratification for Prostate Cancer: Genomics, Ancestry, and Disparities

Date: Friday, April 1, 2022
Time: 12:00 - 1:00 pm
Location: Zoom Virtual Format
https://moffitt.zoom.us/j/92327872475

Learning Objectives: As a result of participating in this activity, the learner will be able to:
1) Explain the polygenic nature of inherited prostate cancer risk
2) Evaluate the relative importance of ancestry, family history, and genetics for prostate cancer risk
3) Assess the potential for risk-stratified strategies for early detection and prevention of prostate cancer based on individual risk factors

Registration is not required. Attendance is captured from the computer you are logged into.

Target Audience: Surgical, Medical and Radiation Oncology, Attending’s, Residents, Fellows, Faculty, ARNPs, RNs, PAs, and other Professional Staff.

Accreditation:
Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credit.

Nurses FBM: USF Health (provider # 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing. This program has been approved for 1.0 contact hours.

In order to receive credit participants MUST log-in for each session via Zoom they attend. Those participants who DO NOT log-in will NOT receive credit for the session.
