Adaptive Radiotherapy for Head & Neck Cancer: Keeping up with a changing landscape

**Date:** Friday, July 8, 2022  
**Time:** 12:00 - 1:00 pm  
**Location:** Zoom  
[https://moffitt.zoom.us/j/97342857085](https://moffitt.zoom.us/j/97342857085)

**Learning Objectives:** As a result of participating in this activity, the learner will be able to:

1) Understand current utilization of adaptive radiotherapy techniques in the treatment of head/neck cancers.

2) Discuss how advanced imaging and treatment techniques such as MR-guided radiotherapy or daily adaptive radiotherapy may be harnessed to decrease toxicity and/or improve outcomes.

3) Identify potential areas of improvement and innovation for adaptive radiotherapy in head/neck cancers.

**Target Audience:** Surgical, Medical and Radiation Oncology, Attending’s, Residents, Fellows, Faculty, ARNPs, RNs, PAs, and other Professional Staff.

**Accreditation:**

**Physicians:** USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credit.

**Nurses FBM:** USF Health (provider # 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing. This program has been approved for 1.0 contact hours.

*In order to receive credit participants MUST log-in for each session via Zoom they attend. Those participants who DO NOT log-in will NOT receive credit for the session. For comments or concerns, contact CPDRSS@usf.edu*
