Invitation to Exhibit

Dear Exhibitor,

It is our very great pleasure to invite you and your company to exhibit at the *2022 Current Perspectives in Oncology Nursing Conference* on Friday, September 30, 2022 to be held at the USF Marshall Student Center, 4103 USF Cedar Circle, Tampa, FL from 8:00 AM- 4:30 PM (Registration and Breakfast begin at 7:00 AM)

Joining us as our keynote speaker is Scott Hamilton, Olympic Gold Medalist, cancer survivor, member of Moffitt's Board of Advisors, and author of *Fritzy Finds a Hat: A Gentle Tale to Help Talk with Children About Cancer*.

The conference is designed for oncology nurses or nurses interested in oncology at all stages of their careers. Topics and speakers have been chosen to expand the knowledge of the novice, apply knowledge gained for the more proficient and challenge the expert oncology nurse.

Exhibitors will be stationed in a designated Exhibitors Area, separate from the meeting where all breaks will take place, offering ample time to meet and interact with all conference attendees. This is a perfectly targeted CE meeting at which to exhibit and share with oncology nurses about your products and services. Based on registration from our previous conferences we are anticipating approximately 300 in attendance. Your exhibit fee also includes registration to the conference for two representatives.

To register for the conference and/or additional information, please use this link: [Conference Website](#)

Housing: We suggest the [Home2 Suites](#), 11606 McKinley Drive, Tampa, FL 33612. A block of rooms is reserved under "Current Perspectives in Oncology Nursing" for a nightly rate of \$99 plus tax.
