VENDOR REGISTRATION
Thank you for your interest in working with Moffitt Cancer Center. All suppliers must participate in a vendor certification process. Here are a few basics for initiating the process with our Purchasing Program:

1. Visit our website:
www.moffitt.org/about-moffitt/supplier-vendor-information

2. Read the section titled, “How to Become a Moffitt Qualified Supplier” and complete the Online Vendor Profile Form to register your business

3. Once completed, the Vendor Application Form is electronically forwarded to the Purchasing Department where a member of the staff will review your application form. All potential vendors and its senior management will be screened through the U.S. Department of Health and Human Services - Office of Inspector General and U.S. General Services Administration databases

4. If your product or service is needed, a member of our Purchasing Department will contact you with information regarding next steps. If not, your supplier information will remain in our database for future business consideration.
